CT – Donut Chart

Insights :

- **Classic category** recorded the highest sales percentage (**30.03%**).
- **Chicken category** has the lowest share (**22.29%**).
- The difference among the four categories is small, showing **balanced sales distribution**.
- **Veggie (23.5%)** and **Supreme (24.18%)** are close in performance, indicating moderate and consistent sales across categories.

Steps to reproduce:

1. Select Donut Chart
 - From Build Visuals, choose Donut Chart.
2. Add Data Fields
 - Drag Pizza Category to Legend.
 - Drag Sales (%) or Sum of Sales to Values.
